Section 1. Requirements for Membership

Any person, firm, association, corporation or body politic or subdivision thereof may become a member of record in Claiborne Electric Cooperative, Inc., (hereinafter called the "Cooperative") by:

- (a) filing a written application for membership therein;
- (b) agreeing to purchase from the Cooperative electric energy as hereinafter specified.
- (c) agreeing to comply with and be bound by the articles of incorporation, by the bylaws of the Cooperative and by any policies, rules and regulations adopted by the Board of Directors
- (d) Provided, however, that no person, firm, association, corporation or body politic or subdivision thereof shall become a member unless and until he or it has been accepted for membership by the Board of Directors or the members. No member may hold more than one membership in the cooperative, and no membership in the cooperative shall be transferable.

At each meeting of the members, all applications received more than ninety days prior to such meeting and which have not been accepted or which have been rejected by the Board of Directors shall be submitted by the Secretary to such meeting and, subject to compliance by the applicant with the requirements herein above set forth, such applications or any one or more of them may be accepted by vote of the members. The Secretary shall give each such applicant at least ten days notice of the date of the members' meeting to which his application will be submitted and such applicant shall be entitled to be present and heard at the meeting.

Section 2. Membership Certificates

Membership in the Cooperative shall be evidenced by a membership certificate/contract which shall be in such form and shall contain such provisions as shall be determined by the Board of Directors.

In case a certificate/contract is lost, destroyed or mutilated, a new certificate may be issued therefore upon such uniform terms and indemnity to the Cooperative as the Board of Directors may prescribe.

Section 3. Joint Membership

Any two adults living in the same residence may apply for and sign a joint membership application and, subject to their compliance with the requirements set forth in Section 1 of this Article, may be accepted for such membership. The term "member" as used in these bylaws shall be deemed to include two adults holding a joint membership and any provisions relating to the rights and liabilities of membership shall apply equally with respect to the holders of a joint membership. Without limiting the generality of the foregoing, the effect of the hereinafter specified actions by or in respect to the holders of a joint membership shall be as follows:

- a) The presence at a meeting of either or both shall be regarded as the presence of one member;
- b) The vote of either separately or both jointly shall constitute one joint vote;
- c) A waiver of a notice signed by either or both shall constitute a joint waiver;
- d) Notice to either shall constitute notice to both;
- e) Expulsion of either shall terminate the joint membership;
- f) Withdrawal of either shall terminate the joint membership;
- g) Either, but not both, may be elected or appointed as an officer or director, provided that both meet the qualifications for such office.

Section 4. Conversion of Membership

- (a) A membership may be converted to a joint membership upon completion of a new purchase of power agreement by such holder and his or her partner in the proposed joint membership thereby agreeing to comply with the articles of incorporation, by-laws and rules and regulations adopted by the Board of Directors
- (b) Upon the death of either partner who is a party to the joint membership, such membership shall be held solely by the survivor. The purchase of power agreement shall be cancelled and a new agreement executed in such manner as shall indicate the changed membership status; provided, however, that the estate of the deceased shall not be released from any debts due to the Cooperative.

Section 5. Deposits

The Board of Directors shall have the authority to classify members and other users of electric energy according to the type of service furnished and the facilities required for servicing each classification. The Board of Directors shall have the authority to require an additional deposit or deposits, which shall be based upon such classification and the actual or estimated electric power consumption of the account, before furnishing electrical service to any member.

Section 6. Purchase of Electric Energy

Each member shall, as soon as electric energy shall be available, purchase from the Cooperative all electric energy used on the premises specified in his application for membership, and shall pay therefore monthly at rates which shall from time to time be fixed by the Board of Directors or as otherwise prescribed by law or by Public Service Commission regulation, provided, however, that the Board of Directors may limit the amount of electric energy which the Cooperative shall be required to furnish to any one member. Each member shall pay to the Cooperative such minimum amount per month as shall be fixed by the Board of Directors from time to time, regardless of the amount of electric energy consumed. Each member shall also pay all amounts owed to the Cooperative as and when the same shall become due and payable.

Section 7. Termination of Membership

Any member may withdraw from membership upon compliance with such uniform terms and conditions as the Board of Directors may prescribe. The Board of Directors of the Cooperative may, by the affirmative vote of not less than two-thirds of all the directors, expel any member who shall have refused or failed to comply with any of the provisions of the articles of incorporation, by-laws or rules or regulations adopted by the Board of Directors, but only if such member shall have been given written notice by the Secretary of the Cooperative that such refusal or failure makes him liable to expulsion and such refusal or failure shall have continued for at least ten days after such notice was given. Any expelled member may be reinstated by vote of the Board of Directors or by vote of the members at any annual or special meeting.

Upon the withdrawal, death, cessation of existence or expulsion of a member the membership of such member shall thereupon terminate. Termination of membership in any manner shall not release a member or his estate from any debts due the Cooperative.

If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his address as it appears on the records of the Cooperative, with postage thereon pre-paid. The failure of any member to receive notice of any annual or special meeting of the members shall not invalidate any action which may be taken by the members at any such meeting.

Section 4. Quorum

Except for Director elections, three per centum of the Cooperative's total membership, present in person at a meeting, shall constitute a quorum for purposes of conducting a special meeting of the membership or the regularly-scheduled annual meeting of the membership.
