PREVIOUS BALANCE
 If you had an unpaid amount from your last bill, it appears here. It may include a partial payment or missed payment from the prior month.

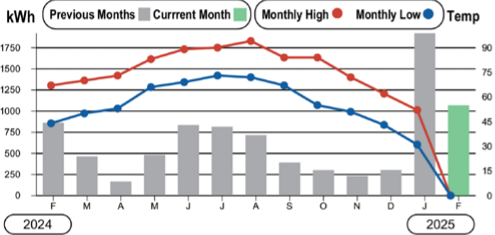

ENERGY USE
 This shows how much electricity you used during the billing period. It's measured in kilowatt-hours, or kWh, and helps calculate your total energy charges.

NET MONTHLY RATE
 This is your monthly service charge plus a small per-kilowatt-hour energy charge used to cover the co-op's monthly operating and maintenance expenses. It covers the co-op's fixed cost of doing business.

POWER COST ADJUSTMENT
 This is the cost for the electricity you used. This charge represents the cost of generating and transmitting your power on a monthly basis, calculated per kilowatt-hour.
